Dear Members

Once again, we are at the start of a new season and the committee are pleased to welcome you all to what is going to be to be a very exciting year for us. Our club will be hosting various special events during the course of this season, involving two of our members in particular. The Hertfordshire County Ladies President Karen King as well as St Albans & District Ladies President Phyll Scarborough.

This season we welcome two new Captains; both have stepped up for the first time in this role. Paul Thomson, Men's Captain and Christine Wootton, Ladies Captain. I am sure you will give your full support for all our matches and events.

You will also note that we have two new additional names appearing in the Fixture Book, that of Marian Brusselen and Debbie Parsonage both of whom have been appointed Safeguarding Officers following the successful completion of the Bowls England requirements.

We will need more volunteers this year for the home games catering, so any help you can give will be very much appreciated.

We will be holding coaching sessions both for new and experienced bowlers led by our own B.E. qualified bowls coaches.

We know you will all offer our new members a very warm welcome.

On behalf of the committee

A stylized, cursive signature in blue ink that reads "Terry".
